2026-09-12	Pune	VPN gateway firmware 9.1.5 to 9.2.0	VPN fails over to Mumbai
2026-10-24	Mumbai	storage array controller replacement	reporting replica read-only 2 h
2026-11-14	Pune	cooling unit service	none
2026-12-12	Pune	year-end readiness checks	none

Rules
Work that affects a P1 service needs a normal change approved by CAB.
During month-end close and the year-end freeze (15 December to 5 January) only emergency changes are allowed, so no major work is planned in those periods.
When the Pune VPN gateway is under maintenance, users connect to Mumbai with a limit of 1,500 VPN seats; send a notice to all staff one week before.
